## MATHCOUNTS<sup>®</sup> CLUB INVITATION LETTER/APPLICATION

Dear Parents/Guardians & Students

September 2, 2011

We are inviting all of our 6<sup>th</sup> thru 8<sup>th</sup> grade students to be a member of MATHCOUNTS CLUB. The MATHCOUNTS CLUB is a fun and challenging program aimed at engage students in advanced math.

MATHCOUNTS<sup>®</sup> is a national math enrichment, coaching and competition program that promotes middle school mathematics achievement through grassroots involvement in every U.S. state and territory. After several months of coaching, participating schools select students to compete individually or as part of a team in one of the more than 500 written and oral competitions held nationwide and in U.S. schools overseas. Winners at the local level proceed to state competitions, where the top 4 Mathletes<sup>®</sup> and top coach earn the right to represent their state or territory at the national level. At all levels, MATH-COUNTS challenges students' math skills, develops their self-confidence and rewards them for their achievements.

**All applicants will be initially tested on their math skills to get qualified for the team. The qualification testing will be held on September 8<sup>th</sup>, Thursday from 4:00 pm to 5:00 pm at the school, room 301. The results will be announced next Monday right after the test week.**

Qualified students will be having weekly sessions with their coaches at the school which includes correcting weekly assignments from MATHCOUNT booklets, a lesson (often things are not taught in the regular classroom), and a competition to improve the students' speed and accuracy.

Having math as your best subject is not required to join! All you desire to learn and be willing to do what it takes to become better!

Snacks will be provided at every practice!!!

**Please fill this application and return it to Mr. Cellik (room 301) no later than September 7<sup>th</sup>, Wednesday, 2011.**

Student Name: \_\_\_\_\_

Grade: \_\_\_\_\_

Parent/Guardian Name: \_\_\_\_\_

Signature: \_\_\_\_\_

What day(s) do you prefer to stay after school? 1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Date: \_\_\_\_\_

With best regards

Mr. Cellik,

Math teacher & Mathcounts coach
